The Contractor shall immediately notify the IHCD A if any subcontractor becomes debarred or suspended, and shall, at the IHCD A's request, take all steps required by the IHCD A to terminate its contractual relationship with the subcontractor for work to be performed under this Contract.

14. Default by State.

If the IHCD A, sixty (60) days after receipt of written notice, fails to correct or cure any material breach of this Contract, the Contractor may cancel and terminate this Contract and institute the appropriate measures to collect monies due up to and including the date of termination.

Should the Contractor fail to continue to perform its responsibilities regarding all non-disputed work, without delay, any additional costs incurred by the IHCD A or the Contractor as a result of such failure to proceed shall be borne by the Contractor, and the Contractor shall make no reimbursement claim to IHCD A for such additional costs.

Within ten (10) working days of receipt by the Commissioner of a written request for appeal, the decision may be reconsidered. If no reconsideration is provided within ten (10) working days, the parties may mutually agree to submit the dispute to arbitration or mediation for a determination. The Contractor hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace. The Contractor will give written notice to the IHCD A within ten (10) days after receiving actual notice that the Contractor or an employee of the Contractor in the State of Indiana has been convicted of a criminal drug violation occurring in the workplace. False certification or violation of this certification may result in sanctions including, but not limited to, suspension of contract payments, termination of this Contract and/or debarment of contracting opportunities with the IHCD A for up to three (3) years.

The Contractor further certifies and agrees that it will provide a drug-free workplace by:
